OF DEFICIENCY DUE TO ERROR IN ENTITY STATUS**

Sir:

The above-identified patent application was filed on November 16, 2003, with payment of the small entity filing fee. The small entity status was established in good faith, and the small entity fees were paid in good faith. However, it has now been discovered that small entity status was established in error, and that the application should have been filed with payment of the large entity filing fee. Excusal of this error is requested under 37 C.F.R. §1.28(c). The deficiencies are as follows:

Basic filing fee for large entity:

Correct amount for large entity = \$770

Amount paid on November 16, 2003 = \$385

Deficiency owed = \$385

**PATENT**

The total deficiency owed is \$385. A check in the amount of \$385 is enclosed herewith. Please charge any deficiencies or credit any overpayments to Deposit Account No. 50-0951.

Respectfully submitted,
